RE: 21-ZN-2016#2  
Scottsdale Residences

Dear Mr. Cluff,

CCBG Architects, Inc. and the design team have reviewed and addressed the City of Scottsdale's 2<sup>nd</sup> Review Comments for the Scottsdale Residences project and have completed a revised Zoning Resubmittal package for further review.

Enclosed in this electronic submittal, you will find all digital copies of the revised deliverables for a 2<sup>nd</sup> review. The revised documents contain work from Technical Solutions, Berry Riddell LLC, Collectiv Landscape Architects, Lokahi LLC, SEG Engineering, and CCBG Architects Inc.

This cover letter is complimented with a document we drafted titled, "Response Tracker." It contains all of the City comments and our team's responses to address those issues. Please refer to that document to better understand how the design team approached each comment.

If you have any questions or concerns, please reach out to the design team by contacting the Architect, Paul Ladensack by calling (602)258-2211 or by email at [pladensack@ccbgarchitects.com](mailto:pladensack@ccbgarchitects.com)
